BUREAU OF ENGRAVING

McCarthy of the guide force at the bu eau were confined to their home sickness last week.

According to officials at the bureau there will be no power presses install-ed in the printing section this fiscal year. The statement, no doubt, will be welcome news to the plate printers.

Plate Printers' Union last Wednesday night at Typographical Temple, for the purpose of taking up matters of importance that could not be handled at the prior meeting held June 22. Resolutions were offered in regard to instructing the delegates on many serious questions that are to be taken up at the International Plate Printers' Union convention to be held in Philadelphia, June 21 to June 23.

One of the subjects that will be cussed by the local plate printers at the international convention will be that of establishing a home for the perannuated plate printers through

forating room at the bureau, is spending a week at Ocean City, Md.

Mrs. Mary A. Ford of the

and machine division was married last week. He and Mrs. Wagar are spend-ing their honeymoon in Ohio.

The dismissal of twenty-five plate printers at the bureau July 1 was made necessary, according to an official at the bureau, because of lack of work caused by the releasing of \$500,000,000 of national bank notes by the controller of currency July 1. This fund, it was said, had been held in the Treasury Department since 1908 to meet any emergency that might have arisen in

Department since 1908 to meet any emergency that might have arisen in connection with the national banks of the United States.

Instead of giving the bureau a new order for bank notes, as was formerly done, it was asserted, the reserve fund will be used as far as possible to supply the banks with this form of currency. As a result, the official declares, it would be impossible to retain the full force of plate printers.

W. H. Wertman left the office Friday for Reading, Pa., where he will spend three weeks.

Capt. Nathan King, superintendent of the bureau, has returned from two weeks' vacation, which was spent at his home in Hyattsville, Md.

James M. Fisher, chief of the division James M. Fisher, chief of the division of assignments and reviews, is making his initial auto trip out of the city today. Mr. Fisher purchased the machine only a few days ago and is new to the art of running it, having had
